GOODBYE FROM THE DEER LAKE SCHOOL FAMILY! As the year ends, we say a fond and teary farewell to our first ever grade 12 graduates. Besides students, two of our faculty will be missing next year. Mr. Pleskovic, our high school biology and chemistry teacher, will be returning to the sunny climes of Australia. He, his wife, Jessica, and their newly born Canadian, Kayla have enjoyed their time here in BC but look forward to spending time with doting grandparents in Aussie land. Also leaving us, but for colder regions, is Miss Braman, grade 8 home room teacher. She will be returning home to a teaching job in Chetwynd, BC. A northern girl at heart, she says that while she will miss Deer Lake, she won’t miss the city. She looks forward to clear blue skies, aurora borealis, and white Christmases in wide open spaces. We wish them both happiness and success in their new paths of life. They will be missed.
